RE: COUNCIL FILE TRANSMITTAL

On September 23, 2020, the Rules, Elections, and Intergovernmental Relations Committee considered a Motion (Martinez - Harris-Dawson) relative to the creation of a measure to be placed on a future ballot to update the city's zoning code, Council file No. 20-1042. After consideration, the Committee moved to approve the Motion as amended with the additional recommendation:

Include the Los Angeles Housing and Community Investment Department as one of the reporting departments so the Department's work on fair housing and equitable distribution can be incorporated.

This file is now transmitted to the Planning and Land Use Management Committee.
