Summary: RE: CF #20-1045: Land Use Reform / Increasing Transparency / Processes & Procedures Ordinance / Update On January 27, 2021, the BABCNC held a Brown-Act publicly noticed regular monthly board meeting and voted to support the motion by Councilmembers Nury Martinez & Paul Krekorian "Land Use Reform Increasing Transparency" introduced on 08/19/2020 asking that the City Planning Department, in coordination with the Chief Legislative Analyst, update the Processes and Procedures Ordinance with additional criteria on when entitlements such as legislative actions and Conditional Use Permits will be granted and should restrict actions from moving forward unless it can be established that they are in the public interest or otherwise adhere to established policies of the city. Further, that the City Planning Department, in coordination with the Chief Legislative Analyst, establish new protocols around communication between developers and council offices that takes place outside official meetings or hearings; these protocols should ensure that discussions between developers and council offices take place transparently and with appropriate disclosures.
