RE: TRANSMITTAL FOR COUNCIL FILE NO. 20-1074

On October 4, 2022, the Planning and Land Use Management (PLUM) Committee considered a City Attorney report and Ordinance relative to amending the Los Angeles Municipal Code to using the Special Engineering Fee for certain Revocable Permit applications, and a Los Angeles Department of Transportation (LADOT) Application Review Fee for Revocable Permit applications for roadway dining areas. After providing an opportunity for public comment, the Committee recommended the following:

1. REFER Council file No.20-1074, to the Budget & Finance Committee (the Council file is pending in PLUM, Transportation, and Public Works Committees).
2. INSTRUCT the City Administrative Officer, with the assistance of LADOT, Bureau of Engineering (BOE), and the Department of City Planning, to prepare a report with recommendations as to a cost-benefit analysis of parking space and revenue loss; and positive/negative revenue impacts; inclusive in the analysis impact on the General Fund; and to also include in the analysis the impacts of the waiver of BOE and LADOT fees for projects that provide proof of economic hardship located within the JEDI; Promise; Opportunity; and Good Food Economic Development Zones.

The subject Council File is hereby transmitted to the Budget and Finance Committee for consideration. This matter awaits consideration by the aforementioned Committee.

Sincerely,

A handwritten signature in cursive script, appearing to read "Candy Rosales".
