Summary: The East Hollywood Neighborhood Council (EHNC) supports this motion to have City entities report on the feasibility of converting the Hollywood Recreation Center to an interim housing facility for unhoused CD13 residents. We are therefore eager to explore all options for bringing our unhoused community members indoors. This includes assessing whether and under what conditions the Cole Ave facility--unusable for recreational purposes during the COVID-19 pandemic--could temporarily serve as additional housing. Should the conversion be deemed feasible, we are committed to providing a forum for all stakeholders to discuss further actions at this site.
