Summary:

On October 27, 2020, your Committee considered a September 15, 2020 Board report relative to proposed Amendment No. 4 to MOA with the HACLA in connection with the CSP. According to the Board, there exists a need in various public housing sites around the City of Los Angeles to increase “community livability,” to help promote the safety, security and welfare of residents of the sites. The HACLA desires to continue a partnership with the LAPD to ensure dedicated, fulltime law enforcement resources in eight public housing developments. The LAPD values and supports the continuation of the CSP program policing model that relies on long-term

assignments of police personnel to the program sites. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of Amendment No. 4. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
