Re: CF 20-1222: Saint Vincent Medical Center / Medical and Mental Health Services / Dr. Patrick Soon-Shiong / The Soon-Shiong Foundation / Los Angeles County / Partnership

The Central Hollywood Neighborhood Council (CHNC) **SUPPORTS** the 23 September 2020 motion by CMs O’Farrell and Martinez to begin talks with Dr. Patrick Soon-Shiong and/or his foundation with the aim of partnering to reactivate the St. Vincent Medical Center to provide medical and mental health services to poor, elderly, and uninsured Angelenos.

St. Vincent’s closure removed a key medical asset from an already under-resourced community. We can’t let this facility’s 400 beds disappear when our most vulnerable parents, grandparents, friends, and neighbors need access to healthcare. Mental healthcare is especially critical to keeping people stably housed, making restoring this facility critical to LA’s efforts to end homelessness. We hope the Council succeeds in bringing these beds back to service.
