Summary: The East Hollywood Neighborhood Council (EHNC) supports the motion to look into funding, resources and legislation to extend the project roomkey program. Our city is still being affected by the COVID-19 pandemic. We are about to enter the cold and rainy season, where a lot of our unhoused population are already going to be at risk of seasonal viruses and illnesses. By extending Project Roomkey we can not only prevent those who are currently being serviced by the program from returning to the streets, but provide more shelter for at risk people who are experiencing homelessness. EHNC is very concerned about the spread of COVID-19 amongst our unhoused population, and supports any effort to advance city efforts to find shelter to our most vulnerable population.

Re: Council File: 20-1318: Project Roomkey Locations / Extension Strategy / Funding Resources

Position: Support

Dear Councilmembers,

**The East Hollywood Neighborhood Council (EHNC) supports the motion to look into funding, resources and legislation to extend the project roomkey program.** Our city is still being affected by the COVID-19 pandemic. We are about to enter the cold and rainy season, where a lot of our unhouse population are already going to be at risk of seasonal viruses and illnesses. By extending Project Roomkey we can not only prevent those who are currently being serviced by the program from returning to the streets, but provide more shelter for at risk people who are experiencing homelessness.

EHNC is very concerned about the spread of COVID-19 amongst our unhouse population, and supports any effort to advance city efforts to find shelter to our most vulnerable population.

Sincerely,
