Recommendations for Council action:

1. FIND, upon a review of the entire administrative record, including the SCEA No. ENV-2017-615-SCEA, and all comments received, that:
 - a. The Proposed Project qualifies as a transit priority project pursuant to Public Resources Code Section 21155.
 - b. The Proposed Project is consistent with the general use designations, density, building intensity, and applicable policies specified for the project area in the Regional Transportation Plan/Sustainable Communities Strategy (RTP/SCS) prepared by the Southern California Association of Governments (SCAG).
 - c. The Proposed Project contains more than 50 percent residential; provides a minimum net density greater than 20 units an acre; and is within one-half mile of a major transit stop or high-quality transit corridor included in a regional transportation plan.
 - d. The Proposed Project is a residential or mixed-use project as defined by Public Resources Code Section 21159.28(d).
 - e. The Proposed Project incorporates all feasible mitigation measures, performance standards, or criteria set forth in the prior environmental reports, including SCAG's 2016-2040 RTP/SCS Program Environmental Impact Report.
 - f. All potentially significant or significant effects required to be identified and analyzed pursuant to the California Environmental Quality Act (CEQA) in an initial study have been identified and analyzed in an initial study.
 - g. With respect to each significant effect on the environment required to be identified in the initial study, changes or alterations have been required in or incorporated into the project that avoids or mitigates the significant effects to a level of insignificance.
 - h. Mitigation measures will be made enforceable conditions on the project.
2. FIND that the Proposed Project complies with the requirements of CEQA for using an SCEA as authorized pursuant to Public Resources Code Section 21155.2(b).
3. ADOPT the SCEA and the MMP prepared for the SCEA, including the Environmental Findings, for the future consideration of the development project identified in the Department of City
