Room No. 395
City Hall

Honorable Members:

**MITIGATED NEGATIVE DECLARATION - LOS ANGELES RIVER AND ARROYO SECO LOW
FLOW DIVERSIONS PROJECT**

As recommended in the accompanying report of the City Engineer, which this Board has adopted, the Board of Public Works recommends that the City Council:

1. REVIEW and CONSIDER the IS/MND;
2. FIND that, on the basis of the whole record, there is no substantial evidence that the project will have a significant effect on the environment and that the MND reflects the City's independent judgment and analysis;
3. ADOPT the MND;
4. ADOPT the Mitigation Monitoring Program;
5. SPECIFY that the documents constituting the record of proceedings in this matter are in in the files of the Department of Public Works Bureau of Engineering, Environmental Management Group located at 1149 South Broadway; and
6. APPROVE the project as described in the Initial Study

Sincerely,

DR. FERNANDO CAMPOS,
Executive Officer, Board of Public Work
