

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE REPORT relative to a plan and timeline for decommissioning the Los Angeles Department of Water and Power (LADWP) Valley Generating Station.

Recommendation for Council action, pursuant to Motion (Martinez - Rodriguez):

REQUEST the LADWP to report to the Council with a plan and timeline for decommissioning the LADWP Valley Generating Station, which should evaluate the impacts this facility, as well as other polluters, have on the health of nearby residents; and, should describe how the Valley Generating Station can be decommissioned in a way that does not disrupt the overall power supply or negatively impacts jobs.

Fiscal Impact Statement: Neither the City Administrative Officer nor the Chief Legislative Analyst has completed a financial analysis of this report.

Community Impact Statement: None submitted.

SUMMARY

At a Special Meeting held on November 17, 2020, the Energy, Climate Change, and Environmental Justice Committee considered Motion (Martinez - Rodriguez) relative to requesting the LADWP to report to the Council with a plan and timeline for decommissioning the LADWP Valley Generating Station, which should evaluate the impacts this facility, as well as other polluters, have on the health of nearby residents; and, describe how the Valley Generating Station can be decommissioned in a way that does not disrupt the overall power supply or negatively impacts jobs.

After providing an opportunity for public comment, the Committee moved to approve the recommendation contained in the Motion, as detailed above. This matter is now transmitted to the Council for its consideration.

Respectfully Submitted,

ENERGY, CLIMATE CHANGE, AND ENVIRONMENTAL JUSTICE COMMITTEE
