Summary:

On December 8, 2020, your Committee considered a November 18, 2020 Board report relative to the in-kind donation of health and wellness equipment for Fire Station No. 4 in Little Tokyo in the estimated value of \$5,358.39. According to the Board, the LAFD Foundation, through its Adopt-A-Fire-Station program, has graciously donated health and wellness equipment to Fire Station 4 in Little Tokyo. The purpose of the equipment is to allow firefighters to maintain the necessary fitness levels to perform the often physically demanding fitness duties required in the course of their workday. Due to COVID-19, LAFD members have been unable to patronize private gyms on their off-days, so having proper fitness equipment at the fire station is of paramount importance for their health, wellness and readiness to perform their job functions. The value of this donation is estimated at \$5,358.39. After consideration and having provided an opportunity for public comment, the Committee moved to recommend approval of accepting the donation. This matter is now submitted to Council for its consideration.

Respectfully Submitted,

PUBLIC SAFETY COMMITTEE
