Summary: The Eagle Rock Neighborhood Council supports this Motion, as homelessness is on the rise across the City, and there is a severe shortfall in affordable housing inventory. We further request that the City of Los Angeles provides neighborhood councils with an inventory of government-owned properties within the neighborhood council boundaries for evaluation as residential affordable housing units.

**RE: COMMUNITY IMPACT STATEMENT (CF 20-1552) CALTRANS PARCELS / 710
NORTH FREEWAY EXTENSION PROJECT / EL SERENO / TENANT HOUSING /
UNHOUSED**

On February 2, 2021, a Brown Act noticed public meeting was held with a quorum of 16 board members present and that by a vote of 16 yes, and 0 no, the Eagle Rock Neighborhood Council (ERNC) adopted the following Community Impact Statement concerning [CF 20-1552](#).

This Motion (CF 20-1552) requests that the city evaluate the feasibility of leasing/purchasing Caltrans-owned properties along the defunct I-710 extension, negotiate leases for vacant units, house Angelenos therein within 15 days of certifying habitability (prioritizing El Sereno residents), and perform community outreach to find their best long-term uses outside of housing.

The Eagle Rock Neighborhood Council supports this Motion, as homelessness is on the rise across the City, and there is a [severe shortfall in affordable housing inventory](#). We further request that the City of Los Angeles provides neighborhood councils with an inventory of government-owned properties within the neighborhood council boundaries for evaluation as residential affordable housing units.

Thank you for your consideration,

Jesse Saucedo
