**Comments for Public Posting:** Trying to take rodeo away is ridiculous! Use your “fact checkers” to check in on what the rodeo community is really about! Hard working people, livestock, community, and may more things! Save rodeo!!!

**Comments for Public Posting:** Why would you bann a sport where the animal are treated like kings. None of these animals are abused. Maybe you should bann zoo's. Rodeo cattle are experienced fed all the right feeds vet checked.

**Comments for Public Posting:** Dear City Clerk, I have attended Bill Pickett Rodeos for years with my grandkids. We look forward to this event every year. Since Covid-19 hit, we haven't been able to attend. We look forward to this event every year. I have never seen any animals being abused during this event. Please allow this family owned event to continue for our children's children. Covid-19 has turned this world upside down and we need more fun and safe events to share with our children. God Bless the reader of this letter.

**Comments for Public Posting:** Please vote NO on the rodeo ban. Rodeos are an integral part of the western history and do not result in widespread harm to the animals. Specifically, flank straps, spurs, lassos and lariat ropes should not be included in this ordinance.

**Comments for Public Posting:** It would be a mistake to ban this wholesome community activity. Rodeo is part of our heritage and history. That deserves respect.

**Comments for Public Posting:** Do not ban rodeos. I am an avid rodeo fan and horse owner. I compete in western horse shows. The cattle and horses in rodeo as well as many different types of equine competitions are very well cared for very much like an Olympic athlete. As they are athletes. My horses are my babies as well as all of my friends horses. They are like our children and are treated that way.
