**Comments for Public Posting:** I do not believe that your proposal to end rodeo. You are trying to end a way of life that has been around for a very long time. Because you do not believe in rodeo, western sports, equine events, or anything concerning animals does not make you or your thoughts right. I would not walk into your home or your way of life and tell you to stop what you are doing or how you are living.

**Comments for Public Posting:** Rodeo is a time honored western tradition performed by individuals who care for these animals deeply. Without the tools of the trade both animals and handlers would be put at risk. Please do not cater to a loud/vocal minority opinion as it is not in the best interest of your constituency.

**Comments for Public Posting:** Please do the right thing and ban the rodeo and PBR from torturing animals. It's not a sport and it's not necessary.
