Comments for Public Posting: I am totally opposed to Rodeos taking place in Los Angeles County. Are rodeos animal cruelty? Rodeo not only injures and kills many animals, but it exposes children to sanctioned animal abuse. Many criminals have had a history of animal abuse. Children who attend rodeos witness riders and ropers dominate and injure animals. They see the spurs, the cattle prods and the ropes used to maneuver animals and their concept of animal cruelty as an excepted way to be entertained is ingrained in their young minds. Rodeos are a blood sport, no way around it.

Comments for Public Posting: L.A. Rodeo ban needs to be enforced. Cruelty entirely to the animals. Please do your research and ensure that you are a voice for the animals and that they needlessly not suffer.

Comments for Public Posting: Dear Sir/Madam, using inhumane Implements , such as Electric Prods or Shocking Devices / Flank or Bucking Straps / Wire Tiedowns / Sharpened or Fixed Spurs or Rowels in rodeos Events is totally barbaric, only depicting ignorance and total sadism towards sentient animals. It's a big shame that this atrocity is happening right now, in 2021! Please consider ethics towards animals, respecting their freedom and ecosystems in the XXI century. BIG shame for developed countries such as this. Looking forward for your response. Cristina E. Zois, Greek Ambassador's wife
