Comments for Public Posting: The equestrian sports from jumping to trail riding to rodeo is a part of our heritage. Children have learned good life tools caring and riding horses, mules and donkeys. FFA and 4H are prime examples of how the experiences with animals can do wonderful things for children. Rodeo has been a part of Los Angeles since it was first settled. Supplying the market for these events is important to many businesses in the area. So many aspects of Rodeo affect the local economy. I am against the ban now under consideration by your board. Respectfully submitted.

Comments for Public Posting: California treats their animals horribly. Stop the rodeos and the abuse of animals in CA. Fund the shelters and take care of your animals instead of criminals.

Comments for Public Posting: I support the L.A. rodeo device ban. Animal abuse has no place in Los Angeles. If rodeos CANNOT TAKE PLACE without these "tools of torment" they have no place in Los Angeles. Any industries that profit off the abuse of animals must be stopped. By enacting this Ordinance, the city of L.A. would be enacting precedent-setting legislation to STOP ANIMAL ABUSE. There is NO EXCUSE FOR ANIMAL ABUSE.

Comments for Public Posting: I am urging the City Clerk to support the L.A. Rodeo Device Ban permanently!! There is no excuse or reason these horrible devices should be used in rodeos. The poor animals should not be subjected to the abuse of using them.
