We are writing this letter to notify the City of LA that we oppose this laws pertaining to American Rodeos and Mexican rodeos/ Charreadas..We follow all the laws pertaining proper care of all stock.. Steers bulls and horses. We do not tolerate abuse of any animals..We do rodeos with the proper equipment as not to cause any injurys to the animals or to the persons in the rodeo..our Rodeo traditions go back to the very beginning of our great Country...and back to old California when the Spanish Californians taught the native Americans how to ride and take care of horses and cattle...its a way of life..and as we have said we don't tolerate abuse of any animals and We Respectfully request that these laws be rejected there is no inhumane treatment of our cattle. Bulls or horses..We love our sport and would not do anything but safe treatment of our animals..please stop these laws. Very respectfully Sergio Contreras CCPARK.
