Comments for Public Posting: Please keep rodeo and PBR available for the future citizens of our country to enjoy. It's is a big part of our history, starting with the vaqueros and cattlemen who herded cattle and raised horses. Rodeo is a great American sport and deserves more respect and understanding. Thank you.

Comments for Public Posting: Do not mess with our rodeos! If something happens to our rodeos I recommend all officials be in the arena playing with the bull. You are destroying people's lives, fun and so much more. I will not be paying your taxes any longer!
