Comments for Public Posting: Rodeo has been around many years ,please do not let this way of life be taken away it is a family, patriotic ,sport ,animals are not abused, all horses involved in the events are some of the best owned . The rodeo ,horses show people are the best, caring about each other and their animals. Watching a grand entry and hearing the national anthem and prayer for the contestants and all involved you know it is a sport that should be around forever.Rodeo is also very good for the economy, from feeding and caring for all animals involved , to all of the people involved or watching,,the equipment needed and other supplies that people shop for,,long live Rodeos. Done thank you
