**Comments for Public Posting:** Please keep Rodeo alive. It's not just about bull or bronc riding, it a lifestyle which takes pride in the welfare and treatment of the livestock.

**Comments for Public Posting:** If you're going to stop rodeos in LA, you should also ban all restaurants from serving meat. You would never do that because there would be a public outcry and restaurants would lose too much business. Rodeos take better care of their livestock than feedlots do for cattle. Leave rodeos alone!
