Comments for Public Posting: Good day, There is no reason for a rodeo ban. It is a lively hood for thousands maybe millions. We depend on it. And for all you city people it gives a glimpse of what we do and what has been done for years as a ranch hand or cowboy or cowgirl. It is good for all to know our heritage. Thank you for your time

Comments for Public Posting: Rodeos are a part of American culture. The animals are well taken care of. This is part of the history of the West. Cancel culture needs to be reined in. The West was settled by Gauchos and Cowboys and brave women and missionaries. Let's celebrate them all.
