Comments for Public Posting: I have been to a couple of rodeos and I've seen them on TV. I will no longer be watching them. I feel they are cruel and believe animals are being abused. If it does not seem that way to you, imagine being treated they way they are, it's a complete and total disrespect to THEIR needs. Too much testosterone getting in the way to decent treatment of those who can not fight back without getting a bullet in the forehead.

Comments for Public Posting: I support the L.A. rodeo device ban. There is no excuse for animal abuse. Please vote in favor of the L.A. rodeo device ban. There is no excuse for animal abuse. Animal abuse has no place in Los Angeles. Please support the L.A. rodeo device ban. Rodeos, and stand-alone bull riding events, glorify animal abuse as they masquerade as family entertainment. Horses and bulls do not buck naturally. These are scared animals bucking to escape torture devices common place at rodeos, such as electric prods, flank straps, and spurs. The L.A. rodeo device ban is modeled after a similar ordinance that passed in Pittsburgh, PA, in 1992. Pittsburgh is now considered a "blackout city" for rodeos.
