Comments for Public Posting: I am commenting on your city council attempts at banning rodeos, horse events, anything that is related to the above. I think it's important to allow the residents of your city the opportunity to see and enjoy the great positives of rodeo, animals and lifestyles they are not normally able to enjoy. The animals are treated with the utmost care and respect and they bring joy and hope to all who can be in touch with them. Please allow the great history of your city and this lifestyle to allow to continue for your residents to continue learning from and enjoying.
