**Comments for Public Posting:** What An Utter Disgrace. The Terror this bull must of gone through, being put in the most Unnatural of Environments and Used and Abused for Human Entertainment. I mean What The Actual F is Going On?! What the hell do humans, expect to happen?! The PTSD that this bull and so many others have been left with, is completely Unacceptable and Unforgivable. Imagine being confined to that Claustrophobic Space, it is Shocking and Barbaric. This Needs To End, Humanity is On A Huge Downward Spiral As It Is. Let Justice Roll Out Under Universal Law, for theses Sentient Beings and With Absolutely No Mercy To Humans. Sickening and Twisted, May It End For Eternity. My Whole Body Is Vibrating With Anger and Wanting Justice.

**Comments for Public Posting:** Please ban the use of bulls on rodeos. These poor animals are are prodded, whipped, and electric shocked, and routinely suffer debilitating injuries including torn ligaments, broken bones, and even paralysis just for some minutes of fun. Animals should not be used for entertainment, they are under stress and often break free from their torturous life while putting themselves and people in danger.

**Comments for Public Posting:** Bulls are shocked by electric devices, prodded, and abused in rodeos. I ask that you consider what it would be like to be in the place of the bull. What is life like without a voice and suffering daily abuse? Please be the voice for animals and defend bulls against these inhumane practices. Ban device use with rodeo bulls.
