Comments for Public Posting: Rodeos offer great way to interact with the public and educate people about livestock and rodeo animal health!! This is great for the families, the cowboys, the cowgirls, and the animals have the red carpet rolled out for them! The horses and bulls have the best of care and cost a pretty penny and no way is any harm being done to them! I recommend that the people that is trying to stop rodeo in LA, need to educate themselves, because they don't have a clue. Maybe the extremist should focus all that entergy into getting kids off drugs... Why are they trying to stop a great thing for families??? I don't understand.... When my grandfather was young there only way of getting somewhere...by horseback! I love rodeo!! The cowboy channel stays on at my house! I love Yellowstone!! Best damn show in years!! I can't imagine life without rodeo! I stand behind rodeo 1000%!
