Comments for Public Posting: Of all the issues your city has to face...homelessness, unemployment, drug abuse, child trafficking... The only thing you can think of banning is rodeo events? Really? Kids forced into prostitution don't rate your attention. Pathetic that you dare draw a pay check. Leave rodeo alone, tackle the real issues.

Comments for Public Posting: The sport of rodeo has its roots in our western heritage. It promotes patriotism, hard work and family. The animals that are used In rodeo from the bulls to the horses are cared for, well fed and given regular veterinary care, more than can be said for alot of other animals kept as pets. There is no abuse involved.
