Comments for Public Posting: I implore the City Council to permit the sport of rodeo to continue. This is a sport where the animals have all the advantage. They are well cared for by their owners, it wouldn't make any sense to abuse them. People who are anti rodeos do not understand the sport. One of the few sporting events that is very family oriented, and shows respect for our flag. We pray for the animals and the contestants. The animals are valuable to the stock contractors and the cowboys and cowgirls who compete.

Comments for Public Posting: I am writing as an L.A. Resident to express my full support for the rodeo inhumane implements ban in the City of Los Angeles, which was passed unanimously by CouncilMembers in February 2021. Rodeos are disturbing spectacles of animal cruelty that inflict tremendous suffering on animals forced to perform. Acts of blatant cruelty masquerading as entertainment or sport are barbaric echoes of another era, defined by a past set of outdated 'entertainment' parameters which frankly no longer apply in the 21st century. I urge you to reflect what surely must be the will of progressive, humane-minded Californians. The City of Los Angeles has always taken a progressive approach to animal welfare and I commend the City Council for voting in favor of this Ordinance. I urge you to follow up to help ensure the rodeo inhumane implements ban is signed into law. Sincerely, Michael Bond 90027
