**Comments for Public Posting:** Please do not ban Charrería. It's a part of our culture and for some it's their main source of income.

**Comments for Public Posting:** I support L.A. City Council file #20-1575, a Motion that would ban the use of "inhumane implements" (including electric prods, flank straps, and spurs) at rodeo events held in the city.

**Comments for Public Posting:** Greetings to the LA City Council: We urge the LA City Council to ban all rodeo implements and/or activities that create torture, suffering, and/or pain which are administered (often illegally) to innocent, docile rodeo animals. Such cruelty is inflicted solely to create a "fear and flight" state to convince audiences that the animals are "wild" (which they are not). Rodeo events epitomize cruel, violent, sadistic abusive entertainment with elements of dominance and bullying in the background. Additionally, we urge LA City Council to insist that any noncompliance be cited and prosecuted as felony animal abuse (which is it in CA). The link between animal abuse/cruelty and human violence is well established. Please do not condone (by allowing) such barbaric debacles to continue in the great City of Los Angeles. Thank you, Katie Cather [ktcather2002@hotmail.com](mailto:ktcather2002@hotmail.com)
