Comments for Public Posting: Stop the cruelty to these lives. Please ban the use of "inhumane implements" (i.e: electric prods, flank straps, and spurs) that force animals to perform at rodeo events held in L.A. please, no more.

Comments for Public Posting: My daughter rodeos and it has been an amazing thing for her. It teaches so many invaluable life lessons grit, overcoming fear, hard work, discipline, patriotism just to name a few. It would be a shame to remove something so beneficial from the community.
