Comments for Public Posting: Rodeos are unnecessary, needless, and cruel. Why force innocent sentient animals to be forced through distress, exploitation, and enslavement for selfish human entertainment when y'all would never what is forced upon them to be forced upon you? It is hypocritical and selfish. Leave animals alone and live vegan.

Comments for Public Posting: Ban rodeos. Rodeos are cruel and exploit sentient beings that get injured more times than not. Its all done for human entertainment it's unnecessary as there are other ways to get entertained that don't come at the expense of sentient beings well being/life. Sports should have willing participants not vulnerable individuals that cannot consent to the cruel things needlessly being done to them. A progressive city has no room for barbaric practices like a rodeo.
