

Communication from Public

Name: Tom Collins

Date Submitted: 10/18/2021 10:01 AM

Council File No: 20-1575

Comments for Public Posting: Livestock is an essential part of our society. From assisting human health issues to developing character. Special needs individuals rely on the healing from interaction with animals. After all this is America. (This note is from a former elected official who won eight elections over 3 decades.)
