Comments for Public Posting: I live across the country on the east coast. But the abuse occurring on animals of all species is not just a countrywide issue--it should be a planet-wide one. Nowhere on this planet should the use of tools be allowed to torture animals to perform. AND AS IT APPLIES TO L.A. RODEOS, A BAN ON DEVICES, ALL DEVICES, used on rodeo animals MUST BE UPHELD. Show your humanity. and vote to support the ban. Thank you.

Comments for Public Posting: Save our western culture. This is the community for our men and women that grow your food and raise your In N Out burger. These animals are celebrated and loved. Don't take it away if you don't understand it or spend time with the community.
