**Comments for Public Posting:** The devices used on animals to make them "perform" are both cruel and barbaric. PLEASE stop using them! Certainly, we can be a kinder society, one showing respect for all life.

**Comments for Public Posting:** Rodeos are animal abuse for human entertainment. History is chocked full of barbaric practices that we no longer engage in, because of the brutality and moral agency. Try something without victims. From a girl who grew up on a ranch, the time has come to let rodeos be bygones.
