Comments for Public Posting: Keep the rodeo. I'd rather see highschool kids getting involved in a time honored tradition, than being strung out on drugs.

Comments for Public Posting: Bull riding is a part of western heritage. These animals are treated better than some dogs. They have the life of luxury. To be a bull that participates in the sport is equivalent to the quarter back for the professional football team- treated like royalty.

Comments for Public Posting: I support animal training, and animal exhibitions, including rodeo events. Therefore, I am against the proposed ordinance language changes. Changing the ordinance language would effectively ban animal training and exhibitions including; dog training and shows, horse training and shows, 4H and FFA livestock shows, rodeo, and other cultural events.
