**Comments for Public Posting:** Please do not discontinue the Bill Pickett Rodeo! The rodeo offers so many adults and youth to learn and showcase their talents. One way to help deter crime and unfavorable activity is to encourage wholesome family activities. Productive youth today promotes hope for future generations. No animals are harmed during the course of the BPR, so please let the rodeos continue. I actually live in northeast Mississippi and my family never miss an opportunity to see the rodeo in Atlanta and Memphis. It is packed with skills, talent and awesomeness! Thanks!
