**Comments for Public Posting:** The LAST thing any of the rodeo stock contractors or participants do is abuse any of the animals. There are ALWAYS going to be the fanatics who "claim" that animal abuse is going on. I say come to the Bill Picket Rideo and see for yourself. Get educated BEFORE you pass judgment. African American cowboys/cowgirls have worked harder then their counterarts to be recognized as true athletes, and yet and still here they are being threatened to have that taken away behind false propoganda. I explore you to view BOTH side of this situation and DON'T stop ANY rodeos in the LA area. It's clean fun and very educational. My father Will Dawson was a well respected Cowboy from Detroit and he would turn over in his grave just hearing that the LA rodeos may be stopped.
