Comments for Public Posting: Rodeo is a sport should we ban football and soccer because accidents happen and people get hurt? And for those who think roping is abuse and pointless I would LOVE for you to go out in a field and catch a calf without out one:) rodeo is showing who is the best cowboy or cowgirl showing off our skills which we use daily from riding and breaking horses (could be barrel racing or bronc riding) to catching sick cows and calf's (would be roping/ steer wrestling) having these skills are important for our futures or ranches and extra. How do you think they treat the cow your eating if it gets sick? They rope it and treat it if we can't rope them then you get less food ??????.
