Comments for Public Posting: I strongly believe Animals MUST ALWAYS be PROTECTED from all forms of ABUSE — If we do not step up to Protect Animals, the cruel, the unconscionable, the hateful and the immoral will rule — we cannot allow this. Rodeos are disturbing spectacles of Animal CRUELTY that inflict tremendous suffering on Animals forced to perform. Pass the Los Angeles Rodeo Ordinance. There is no excuse for Animal abuse in Los Angeles. BAN the use of "Tools of Torment" : including bucking straps, electric prods & sharpened spurs that FORCE Animals to perform in rodeo events. Better yet, BAN this evil industry of RODEOS altogether — again, we MUST PROTECT our Animals — it is not only horrific on show in arena, the depravity is worst behind the scenes — Animals suffer 24/7. SHUT DOWN RODEOS — FOREVER.

Comments for Public Posting: Rodeos are so 18th-century you guys ... and we're in the 21st century now. The Rodeo Device Ban has an overwhelming 72% support among 600 L.A. voting residents who were polled. Can you imagine why? Because people who care about and respect animals know it's barbaric and wrong to tackle a baby animal in front of a screaming mob, slam it to the ground and tie its legs together. If you did this to a puppy or a kitten you would be charged with animal abuse -- and don't pretend you're unaware of that. So quit pretending it's okay to abuse cattle and horses and every other living being y'all feel like roping into YOUR antiquated and uncivilized idea of having "fun". Rodeos had their brutal day -- in 2023, the majority of animal lovers & voters demand to be DONE with 'em! Thanks for your consideration of my comment and thanks for all your hard work for the City of L.A.

Comments for Public Posting: It is critical that you do not disband and let rodeo events in the LA area - it is a time honored tradition and must be kept in place - no animals are hurt in any way - thanks for your consideration and keep rodeo in place!

Comments for Public Posting: I support the Rodeo Device Ban. There is no excuse for animal abuse in Los Angeles. Brutal animal cruelty IS NOT entertainment and has no place in a civilized society. These acts of violence towards a fellow living being leaves a horrible impression on children that this is acceptable behavior and must be banned

Comments for Public Posting: The livestock in rodeo is the best taken care of livestock in the nation. I know first hand how well this livestock is cared for..I feel it would be detrimental to your city or state to ban rodeo. I feel rodeo generates very good revenue for the cities and states who sponsor them.
