Comments for Public Posting: Hello, I am opposed to the ban of banning rodeo. Rodeo animals, athletes, are treated with the best of veterinary and owner care. Rodeo is an essential part of America and our history, banning rodeo will only hurt America. Rodeo has its roots of the events from actual ranching background for a lot of events. For example, team roping simulates the event of doctoring an animal in the field. The rodeo community is a family and does a lot of good for the USA. The animals within the rodeo world are very well cared for.
