Comments for Public Posting: “I support the L.A. Rodeo Device Ban. There is no excuse for animal abuse.” I hope one day soon all rodeos will be a disgraceful memory of the past. A shameful blight on the past of humans' cruelty to animals. It's hard to believe it is still allowed to go on in this day & age just as all the other terrible cruelties human beings inflict on all animals in a thousand ways every single day on this Earth.
