**Comments for Public Posting:** Animals are abused by forced participation in rodeos. They experience pain and fear just like we do. Rodeos are profoundly wrong, and must be stopped. I support the LA ban against rodeos, and am so proud of LA for choosing this compassionate position.

**Comments for Public Posting:** I'm from Georgia and I love "manly" kinds of activities including hi-power rifle shooting and drag racing, However, I know animal abuse when I see it. You see, I watched such a "bull riding" spectacle in N. Florida many years ago and witnessed the terrified look on the innocent face of a bull that had no idea why it was being tortured at this sadistic "rodeo". It's leg had been broken and I heard the shot as it was then shuffled off out of sight and put out of its misery. We need more COMPASSION in this world to exhibit to our children, and this kind of so-called entertainment flies in the face of that attribute. Please ... no more of this "garbage for the masses". It teaches cruelty and has no positive value.

**Comments for Public Posting:** A total stranger holding you down and sitting on your back must be terribly frightening. If this happens to a human, we, or the good people, would be on the victim's side. How, in anyone's right mind, would this action, leaving a living being fighting for his/her life, be defensible? Getting satisfaction from scaring others is a bully's characteristic. Bad leaders allow bullying. It rips apart communities. Good leaders don't. They search for solutions. They try to protect everyone, including the most vulnerable. Go for animal rights. It will clear your mind (a little).

**Comments for Public Posting:** To Los Angeles Council Members I'm writing to ask you to please ban rodeos. Rodeos are very violent events where animals suffer for no necessary reason. Their suffering is torture, and torture to animals is forbidden by the Federal Animal Welfare Act. Animal abuse/torture is not welcomed by the common citizen who doesn't approve of animal torture in any way. So, please, don't let abusers- the few involved in rodeo- make money with animal pain- while the majority of citizens don't attend nor like cruel shows. A NO to rodeo is a YES for the majority of Los Angeles' tax payers and residents. Thank you for considering my reasons to ban rodeo.

**Comments for Public Posting:** I totally agree with a rodeo ban. In this day and age we should have enough compassion and intelligence not to participate in activities that harm other living creatures. Tell Wyoming they can keep their out of date, so called sport out of Los Angeles.
