Comments for Public Posting: I am against any changes to the ways of rural American way of life and our history. If we cave into the AR groups it's a small step for them to be able to keep pushing their radical agendas. We need to stop them in all areas of our history and sports. They have no right to force their views on me. They are entitled to their own opinions as well as I am. I don't force mine on them and I will not tolerate them forcing theirs on me. I am against any new proposed changes to any AR laws and it's time we take back our rights that we are losing one small step at a time. It's time to fight them in the courts and anywhere else we have to. It's time ALL animal owners stand together to insure this stops. They will not stop at doing away with rodeos. They don't even want police and the military to use K-9's as part of their forces. It's past time that we stand with RAOA and work with ALL other animal owning groups to put a stop to this AR nonsense. United We Stand and Divided We Fall!! It's time to take our country and OUR rights as animal owners back from the AR groups and expose them for what they really are.

Comments for Public Posting: Our family supports the "Los Angeles Rodeo Ban" - file #20-1575. There is no excuse for, animal, abuse and pain! In December, 2023, the, ENTIRE, Los Angeles City Council voted YES" to ban rodeos in the City of Los Angeles, this included a "YES" vote from CM Monica Rodriguez. However, the "YES" vote meant the ban had to go back to Committee to amend, certain, language, before heading to "Council" for the, final, vote. PLEASE make sure the "Rodeo Ban" moves through Committee, swiftly!
