Comments for Public Posting: I support Rodeos. The benefit and promote leadership, perseverance, vigor and work ethics in our youth that participate. Rodeo brings family together, creating memories for the spectators and the exhibitors. Rodeo honors the American spirit that settled the west and celebrates the western lifestyle and Agricultural Industry.

Comments for Public Posting: I support rodeo and all its events. It's heritage and the way it's ran. I also support the cowboys & cowgirls who compete and make their living participating in rodeo or individual "western" events; bull riding, breakaway, team roping, etc...

Comments for Public Posting: I support rodeo and all it stands for. It's been a way of life for longer than any one person has been alive so it shouldn't be summed up into what one person that knows nothing about and has never lived it thinks it is.
