Comments for Public Posting: "I support the Los Angeles Rodeo Ban. There is no excuse for animal abuse" . How can this make fun? Watching animals being mistreated and suffer? How strange that people need the torture of animals for entertainment. What is the matter with them? Animals can feel pain, horror and if the human let them also feel happy and joy. It is not different from our feelings, so everybody can imagine how they are suffering during those spectacles. What have they done to be treated cruelly like this? It really is a human shame ! Please stop this...
