Comments for Public Posting: I cannot believe that people still think that this is entertaining. Do they still watch cowboy films and have their mentality. IT APPEARS so.

Comments for Public Posting: I support the Los Angeles Rodeo Ban. There is no excuse for animal abuse. It's 2024. We know better. We can do better. We wouldn't find these events acceptable if the animals were dogs. In the past we have done things like this to other human animals. Most of us have evolved. Apparently some people need help evolving, so please make the ban complete and final.
