Comments for Public Posting: Rodeos are a cruel form of entertainment like bullfighting and dog fighting, those that participate either in the audience or involved in the rodeo itself should consider how much pain is inflicted on the animal concerned and stop this outdated form of cruelty

Comments for Public Posting: Rodeos are archaic and CRUEL!! To cheer on tormenting and abusing animals is just so wrong and to promote this is shameful. Please end this event and promote an event that does not involve cruelty to animals. Thank you.
