Comments for Public Posting: Stressing and frightening animals is not entertainment- except to sadist and sociopaths. Yes, so many in this country are, due to our training out any sense of empathy, connectedness or sense of responsibility or concern for the welfare of other sentient creatures- human and non-human alike. Do not continue to be party to the sociopathologizing of our country- do the right thing and pass the L.A. rodeo ban- file #20-1575.

Yet, so many in this country do behave like sociopaths, due to our training out any sense of empathy, connectedness or sense of responsibility or concern for the welfare of other sentient creatures - human and non-human alike, in children and young people.
