**Comments for Public Posting:** The Bill Picket Rodeo is a wonderful event that means so much to so many people. It is a fun and safe way to bring a new experience to LA county and it should be given the chance to carry on the tradition of performing in California! Keep the Rodeo in Cali!!

**Comments for Public Posting:** We are sickened by this news. Anyone with a heart knows it's wrong to tackle a baby animal, slam it to the ground, and tie their legs together. If you did this to a puppy you would be charged with animal abuse. Rodeos call it calf roping and call it a sport. It's not a sport, it's abuse. There is no excuse for animal abuse. I support the L.A. Rodeo ban!!! Do it now, do it today, and stop the SICK, TWISTED SPECTACLE OF RODEOS!! DO YOU HAVE ANY IDEA OF THE PSYCHOSIS THIS SPREADS? I thought tRump was the master of normalizing violence, but here we are, with you depraved bastards. What will it take to END ANIMAL ABUSE IN THE NAME OF "ENTERTAINMENT"??!!!!!!!!!!!!!!! These creepy people should be thrown in jail just for WANTING to watch this shit!!!!!! WHAT IS WRONG WITH YOU GREEDY CREEPS? WHAT DID YOUR PARENTS DO TO YOU? I'd be willing to bet your religion let's you off the hook for this, right? So wrong. The decent people of this nation won't let you off the hook. You will end this or we will end you, at the ballot box. REMEMBER THAT!!!

**Comments for Public Posting:** Please ban rodeos and all events that abuse animals. These activities are cruel and barbaric. The animals feel pain and terror as they are forced to do other unnatural things. Please imagine yourself going through what each animal is forced to endure and have empathy. Thank you in advance for ending these displays of cruelty.

**Comments for Public Posting:** Rodeos are as cruel as bull fighting, they are an archaic tradition that has no part in modern life, the animals that are forced to suffer broken necks, legs and other injuries testify to the cruelty of this sick public entertainment.
