**Comments for Public Posting:** Please put a ban on bullriding. It is so cruel to these animals. People go and laugh for entertainment of these bulls - The riders and organizers know different. The bulls don't. Wire prods. Electric shock and more. Barbaric cruelty. And all for money. and greed. The people that put these cruel shows on and the riders are thinking money. The audience is there to be "entertained"... It reminds me still of the Christians and Lions in Ancient Rome . Please think about the animals. Pls help put a stop to this.

**Comments for Public Posting:** I support The Ban, Ordinance #20-1575, which will prohibit the use of the rodeo's torture devices - electric prods, shocking devices, wire tie-downs, and bucking straps.
