Comments for Public Posting: There is no excuse for animal abuse. Calling it entertainment does not make it any less abusive. We may have been ignorant to the suffering that is a rodeo, but that is no longer the case. We are all well aware of how much abuse, cruelty and suffering the animals at a rodeo are subjected to. It is nothing less than torture and seeing it as entertainment is beyond understanding. Just because something has always been done in the past does not mean that it should continue to be done. We are constantly evolving as humans and that should be no different here. It is long past time that we evolve from this abusive practice. I support the L.A. Rodeo ban.
